

NC MATRIX PRIVACY NOTICE

This privacy notice discloses the privacy practices for NC Matrix. This privacy notice applies solely to digital information collected by NC Matrix. This notice includes the following information:

1. What personally identifiable information is collected from you through digital means, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

You are the owner of your digital information you voluntarily give us. We do not sell or rent this information to anyone outside the NC Matrix organization. We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill player team assignment, training, tournament, and league registration.

Unless you ask us not to, we may contact you via email in the future to tell you about updates and events related to our organization, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or mailing address given on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

Security

We take precautions to secure your information both online and offline.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of a web page.

While we use encryption services to protect sensitive information transmitted online, we also protect your information offline on a privileged basis. Only employees who need information to perform a specific job (for example, coaching and managerial duties) are granted access to personally identifiable information.

If you feel that we are not abiding by this privacy policy, you should contact us immediately.
